- Financial Controller

WHY PARTNER WITH OSCAR FINANCE

OUR CLIENTS WORDS

"We have worked with Oscar for years, but on this particular program of work they have been nothing short of exceptional. All roles have been filled quickly, and all candidates are well briefed, prepared and the quality of shortlists have been excellent. A number of key hires have been made who are already adding huge value. The team at Oscar really took the time to understand the company, they have visited multiple offices and become a true recruitment partner, not just with candidates but with advice and guidance." - Head of Talent
