

FINDING TALENT WITH OSCAR SALES

Quality matches, scalable solutions & local expertise.

Oscar Sales connects go-to-market teams with high-impact sales talent. When top performers are in high demand, we help clients win the very best.

Our consultants are specialists in their field, focusing on specific niches within software sales, from SDRs and ARs to Sales Engineers and GTM leaders. They know what sets strong candidates apart and work with precision to deliver talent that fits. With access to a curated network of over 1,000,000 professionals and the tools to engage off-the-market talent, we run highly targeted campaigns and outreach to find exactly who you need.

WHY OSCAR SALES?

WHAT WE COVER.

We support our clients in their hiring across the following market sectors:

Account Management

New Business Sales

Customer Success

Lead Generation

Partnerships & Alliances

Pre Sales

Leadership

Sales Support

Channel Sales

Field Sales

OUR TALENT SOLUTIONS.

Oscar Sales connects go-to-market teams with high-impact sales talent. When top performers are in high demand, we help clients win the very best.

Our consultants are specialists in their field, focusing on specific niches within software sales, from SDRs and AEs to Sales Engineers and GTM leaders. They know what sets strong candidates apart and work with precision to deliver talent that fits. With access to a curated network of over 1,000,000 professionals and the tools to engage off-the-market talent, we run highly targeted campaigns and outreach to find exactly who you need.

Contract/Temporary Recruitment

Fast, flexible solutions that adapt to protect demands and help bridge immediate skill gaps without long-term commitment.

Direct Hire Recruitment

End-to-end support to identify, attract and place top permanent talent that fuels your business in the long run.

Recruitment Process Outsourcing (RPO)

We embed dedicated consultant(s) into your recruitment function, streamlining hiring, improving quality and reducing cost at scale.

SOW Delivery

Outcome-driven, milestone-based services to deliver specialist teams or project/outcome based hires

Retained Search Recruitment

Dedicated search partnerships for high-impact or hard-to-fill roles, with guaranteed delivery and a comprehensive market map.

Talent as a Service (TaaS)

On-demand recruitment embedded into your team, giving you scalable access to recruiters, data and hiring tools.

WHAT OUR CLIENTS SAY.

We've partnered with Oscar Sales for the past year as a trusted recruitment supplier. Their consultants take the time to understand our sales structure and the specific traits we look for in high-performing hires.

It's a transparent, responsive relationship that's helped us build strong, targeted teams across SDR, AE, and leadership levels. We look forward to continuing that momentum in the year ahead.
