

## Transform Your Payroll with PEO: Your Trusted Partner for Outsourced Payroll and Employment Services

Are you an agency seeking a hassle-free solution for engaging workers on a generic PAYE basis?

Look no further than PEO.

We specialise in fully managing your outsourced payroll and employment services, allowing you to focus on what you do best.

### Why Choose PEO?

- **Efficiency:** Don't have the capacity to employ workers on a PAYE basis in-house? Then leave the complexities of PAYE, RTI, and employment law in our capable hands. We'll handle everything, ensuring smooth and compliant operations.
- **Simplified processes:** You won't have to worry about payroll resources, software, banking costs, or back-office infrastructure. We streamline your payroll operations, saving you time and money.
- **Seamless integration:** Smooth transitions with clear communication. Your workers will be introduced by your agency and employed by PEO on standard employment contracts.
- **Transparent pricing:** Our commitment to fairness and transparency is reflected in our pricing. You'll benefit from a fixed processing fee per person per week, providing you with clarity and predictability in your financial planning
- **Clear accounting:** All employment costs are calculated per individual considering actual Employers NI and pension costs. Holiday is accrued by the Agency and paid as and when claimed.
