

## Comprehensive Umbrella PAYE Services for Contractors: Maximise Your Income and Simplify Your Workload.

At Payme, we specialise in providing comprehensive umbrella PAYE services that offer peace of mind for contractors and flexibility for you. With our ethical approach and commitment to excellence, we prioritise maximising your income while minimising your administrative burden.

### Why Choose Our Umbrella PAYE Services?

- Contractor compliance: Our FCSA accreditation ensures compliance is at the forefront of everything we do.
- Employed status contract: Full employment rights offered to the workers. This includes; statutory sick pay and statutory maternity/paternity pay.
- Continuity of employment: Seamless agency transition using Payme, vital when applying for mortgages and loans.
- Dedicated service: Each agency is assigned a dedicated account manager, tailoring our service to you.
- Industry professionals: With ever changing legislation in payroll, we are always available for advice and training to keep you compliant.
- Mortgage broker partnership: We work with Roots, specialist in umbrella and contracting, to secure the best financial options for our workforce.
- Payme Rewards: This offers workers the advantage of personal accident insurance cover up to the value of £50,000, 24/7 GP cover, CPD training & retail discounts and cash back deals.

### Choose Payme for Reliable Umbrella PAYE Services

When you partner with Payme, you can trust that our services will meet your needs with professionalism and dedication. We strive to simplify your payroll management and help your business excel by giving your team more time to concentrate on finding the best workers possible for your assignments.
