

Jobwise Candidate Pledge

If you're looking for temporary or permanent work, we are committed to offering you an engaging and rewarding recruitment service.

We do this by adhering to our 9-step candidate pledge;

- One of our experienced recruiters will meet with you virtually to discuss your job requirements and offer career guidance where needed.
- We will have met all hiring companies before you meet them – ensuring a perfect match is made.
- We will help to ensure your CV stands out amongst the others.
- We will hold pre-interview sessions with you to ensure you are fully prepared for the interview.
- We are flexible to speak with you outside of office hours to suit your working schedule.
- We will keep in touch throughout the recruitment process to ensure you are kept updated.
- We actively make contact with companies on your behalf; we don't just wait for something suitable to come in.
- We will help you to update or refresh your office software skills.
- We offer a full in-house service for our temporary workers; weekly payroll, pension payments, and accrued holiday pay.

Our aim is to find you a job that you will love.
