

SIGNIFY SUCCESSES

“

Signify has given me a platform to achieve so much success in my career. They supported my move from London to the USA, and then helped me achieve many of my personal goals such as buying my first home. I am forever thankful for Signify. I am more motivated than ever to continue to grow with Signify and achieve even more goals!

”

Chris Thompson, Manager

Chris is a very experienced technology contract recruitment leader, with 11 years of experience. He has covered many global regions such as the Americas, Europe, Middle East, and APAC. His focus is to continue to scale out our contract offering in the US and Canada.

Back in 2020, Chris was one of the first hires in the Austin office; he had the ambition to help grow a new office and his own business unit. He was looking for a company to move to the US with, and after speaking with Ryan, Chris knew that Signify was where he needed to be.

Chris currently leads the contract team in Austin, working with some of Signify's largest customers.
