WATCH SIZING

1. Briefly explain why you think it would create a more positive guest experience to remove and replace links out of view of the guest.

2. In one or two sentences, explain why you think it's important to use the silicone end of the hammer to place the pins back into the link.

3. Briefly identify some of the possible risks of not using the proper tools to remove and replace links and pins.

4. In one or two sentences, explain the benefit to removing a pin from the bracelet before sizing the watch for a guest?

5. Briefly describe how you can use the GUEST Model to create a memorable experience for your guest when sizing their watch.
